

SOCIETY OF PETROLEUM GEOPHYSICISTS IIT BOMBAY STUDENT CHAPTER (MUMBAI)

The Department of Earth Sciences, IIT Bombay in association with the Society of Petroleum Geophysicists (SPG) Student Chapter IIT Bombay organised a technical talk on "Recent Advances in Borehole Geophysics Applications" in CSRE Seminar Hall, IIT Bombay Campus on 27th February, 2007. The speaker of the session was the eminent geophysicist Dr. S.K. Steve Chang, *Schlumberger K.K., Japan and SEG Asian Region Lecturer 2007*. Prof. P.K. Saraswati, Head, Department of Earth Sciences welcomed the keynote speaker. The talk was quite exhaustive and as the speaker had mentioned at the beginning of the session, the audience would learn a lot in borehole seismic from the lucid and vivid explanation by the speaker. The session was also attended by the *President SPG India* Mr. Apurva Saha, *President Student Chapter SPG IIT Bombay* Prof G. Mohan and also professors of the Department. The session was followed by an interactive Q & A round that clarified the queries of the audience in various applications. The session ended with a vote of thanks by Mr. Anupam Ghosh, *Secretary of SPG-IIT Bombay Student Chapter*. This was followed by an informal session with the speaker in which the refreshments were also served.

Dr. Steve Chang during the course of his presentation.

Mr. Apurva Saha, President SPG India addressing the audience.
